Defense Council Will Reorganize Control Center

Heads of All Depts. To Be Stationed At Vital Key Spot

In order to more evenly distribute the burden of responsibility for the safety of life and property in Daly City, during a bombing or other disaster, the Civilian Defense council will make a complete revision of the control center. This action will be taken, tonight, when the council meets at the city hall.

Under the new plan, which was drawn up by the Chemical Warfare Service of the Army, the heads of all departments in the Civilian Defense Council will be stationed at the control center during a disaster instead of taking positions in the field. Two men will take incoming calls on the phone, and when a disaster occurs it will be phoned into the control center by the nearest air raid warden or auxiliary police officer.

The call is taken and relayed to the department heads who are facing a large control board which is equipped with complete information including available aid showing locations on a map of the city. As the call is taken, each department head dispatches the necessary orders from his department to the scene of disaster. He gives the orders to an operator in charge of outgoing telephone communication on a phone used exclusively for outgoing calls.

In this manner the fire department, police department, first aid squads, air raid wardens, demolition squads and all other departments can dispatch and fulfill orders without conflict between departments. The plan is expected to eliminate much repetition of orders and speed up aid.

Four key men in Daly City's Civilian Defense Council conferred with the Chemical Warfare Service of the Army yesterday at Stanford university where the service conducts special instruction in civilian defense. The four local men who made the trip to Palo Alto were Mayor John J. Fahey sr., Arthur J. Bodien, chairman of the Civilian Defense Council, R. L. Crane jr., chief of the first aid division, and Edmund Cavnagaro, city councilman and co-chairman of disaster relief in Daly City.

The four men met with Lieutenant-Colonel Willard Johnston who supervises the course for civilian defense officials, and plans were completed for the control center revision. The plan was first proposed at a meeting of the defense council, last week, after Crane and Arthur H. Quirnbach, local representative to the county council, completed a ten day course in civilian defense at Stanford university under army supervision. Crane and Quirnbach proposed the new control center plan to the council and it was immediately adopted. A control board has been ordered and will soon be set up at the center.

The control center formerly functioned with only three men. Although the plan worked well in the mass demonstration which was held recently, the new plan, whereby all department heads will participate, is expected to function with considerably more efficiency and speed.

Report Local Youth Lost With Malama

A Daly City youth, Donald Smith, second engineer on the Matson freighter, Malama, was reported lost at sea with 32 other members of the crew after a bombing in Pacific waters, according to information recently received by his parents, Mr. and Mrs. Robert A. Smith, 258 Templeton avenue.

No word has been received from the crew of the Malama since January 1 when they reported that they were being followed by enemy aircraft after which they were ordered to cease operations. The navy believes that the ship was sunk.

Smith has been going to sea for the past ten years since his departure from school. He received

Eight Seek Election

Daly City To Choose Three Councilmen

Vieing for three full term offices on Daly City's Board of Councilmen, a field of eight candidates officially entered the race for the positions which will be decided in the city election on Tuesday, April 14. Deadline for the filing of candidate's papers closed, Saturday.

Among the candidates are two present members of the council whose offices are open, Julius Twesten and Paul G. Selmi. Other candidates in the city campaign are Cliff J. Pettigrew, Eugene V. Lynch, Joseph Millett jr., Hugh Smith jr., A. J. Gaggero, and Remi Sanders.

Twesten has been a member of the city council for the past

twelve years. He formerly operated the Spring Valley market before his retirement, last year.

Selmi, a local real estate broker, is a native of Daly City, and served a term as mayor previous to his present term on the council.

Pettigrew has been in local business since 1916, having owned and operated the Daly City Garage.

Lynch has resided in this community for a number of years and is engaged in the draying business in San Francisco.

Millett, a building contractor on the Peninsula, was born in Colma and attended local schools. He has held the post of building inspector for San Mateo county.

Smith also attended local schools, having been graduated from Jefferson Union high school.

He is manager of the H. H. Smith Lumber company in Daly City.

Gaggero, insurance broker in Daly City, was born in Colma. He has been in the insurance business for eleven years.

Sanders, chairman of the Jefferson Union high school board of trustees, has been a resident of this community for 28 years, in which time he has served in many local organizations.

On election day, April 14, the polls will be open from 6 a. m. until 7 p. m. in nine consolidated voting precincts of the city.

Under its open door policy, the Record, in inviting all candidates to utilize space to acquaint voters with their past records, publishes the first articles written by the candidates on page four in this issue.

Fire Department Announces May 9 As Date For Big Victory Costume Dance

The Daly City Fire department's eighth annual dance, the Big Victory Costume Dance, will be held, Saturday evening, May 9, at Colombo hall, it was announced this week by Fire Chief Andrew P. Chesney.

"Don your oldest clothes and come as you are," said the general committee in assuring a big time for everybody. Music for the dance will be furnished by Johnny Dell's union orchestra.

To insure firemen of the local department, the dance is given for the benefit of the Widows' and Orphans' association. The surplus of the proceeds will be used to purchase government defense bonds.

With twelve committees already at work to make the Big Victory Costume Dance the biggest affair yet, there is a general committee acting on the event. Following are the names of the general committee members: Fire Chief Chesney, chairman; Ed Goldkuhl jr., secretary; Captain L. Kennedy, treasurer; Julius Twesten, L. Shaw, E. Forsell, J. Ferro, J. Coleman, R. J. Ennis, G. Volkman, Kai Petersen, Gus Ford, A. Sundstrom, James Welsh, and Captain A. Benassini.

Charge State With Inefficiency

Protest Conduct Of Defense Council

Charging the State Council of Civilian Defense with inefficiency in every department and failure to properly organize and finance aircraft warning systems in California counties, the San Mateo County Civilian Defense Council made sharp protests against the state organization, Friday.

After a recent meeting in San Francisco of the defense organization of nine Bay area counties, a number of vital weaknesses in the State Council of Civilian Defense were revealed. Earl P. Wilsey, chairman of the San Mateo County Defense Council, declared that the confusion and lack of authority in the state set-up had existed for several months and that it was getting worse all the time.

Arthur H. Quirnbach, Daly City representative to the San Mateo County Defense Council, stated that the State Council had failed, in many cases, in cooperating with county needs and problems. Quirnbach said that earlier in the war, but after Pearl Harbor, he made a trip to the state headquarters when it was located in Berkeley, and found two women in charge of the entire headquarters, one of whom worked but part time.

Wilsey, at the meeting in San Francisco, proposed a resolution for the nine counties organization, asking Governor Culbert L. Olson to clarify the administrative procedure in the state council. The resolution was adopted and sent to Governor Olson for action.

No Opposition In Colma Election

No opposition to the four public offices open for election was reported, Monday, after all candidates had filed notices for the city election in Colma on Tuesday, April 14.

The four unopposed city candidates are Mathrup Jensen and Fred Lane, members of the city council; E. A. Weisenburger, city clerk; and Henry Kempf, city treasurer.

Daly City Rallies To Help Speed Organization Of Blood Bank For County

Because of the important need for quick organization of the San Mateo County Blood Bank, designed to save lives through transfusions, cash donations of \$75 have already been collected in Daly City for the fund raising campaign, it was announced, Monday, by Arthur H. Quirnbach local chairman.

Daly City has a quota of \$1500, Quirnbach said. He was appointed as local chairman by the county committee. Mrs. Stella Jensen, active in Red Cross and A. W. V. S. work in Colma, was appointed to the county's master committee.

Responding immediately to the call for funds, the Daly City-Colma Lions club made a cash donation of \$50 for the Blood Bank. Daly City Post No. 410, American Legion, donated \$15, and a \$5 contribution was made

by the Sons of the American Legion, Post No. 410.

With a continued interest in raising local funds as supplementary duties to their regular civilian defense work, senior air raid wardens volunteered to make a house to house canvass of Daly City to raise the funds. The wardens also supervised the canvass of the Red Cross War Emergency campaign which met with much success in Daly City.

Residents are asked to donate any possible amount to the Blood Bank fund in an effort to reach the local quota of \$1500. The San Mateo County Medical society, one of the leading organizations in the county that is sponsoring the Blood Bank, estimated that it would require \$15,000 to operate.

Councilman Julius Twesten Resigns Defense Post As Chief Air Raid Warden

Arthur Quirnbach Named To Fill Job

Julius Twesten, member of the city council and a candidate in the coming election, has resigned his duties as chief air raid warden in Daly City. He has been replaced by Arthur H. Quirnbach, former head of gas de-contamination, and a member of the county defense council.

In relinquishing the civilian post, Twesten declared that, while he enjoyed working as chief warden, he couldn't spend as much time as he would like in view of his already full schedule as a councilman. He said that he resigned the post because he didn't want to see the civilian defense organization suffer because of lack of applying sufficient time to the job.

A chemistry instructor at Jefferson Union high school, Quirnbach, as new chief air raid warden, is an authority on civilian defense, having made a study of its organization for the past few years. He was recently authorized by the United States Army as

St. Patrick's Day Was No Joy For The Japanese

United States Holds Third Selective Service Lottery

Shure, and Tuesday was a "Great Day for the Irish" but a "devil of a time" for the Japs as the numbers of registrants for Uncle Sam's growing Army were drawn from Kelly green capsules in the national lottery for selective service on St. Patrick's day.

It was America's third national selective service lottery and the first wartime lottery since World War I, and the same historic fishbowl used in 1918 was used in the St. Patrick's day lottery in Washington.

Local draft board headquarters in the city hall have completed the serial numbering of 2089 registrants from the registration. The list of names of the local registrants with their corresponding serial numbers are available for all registrants. They are posted on a bulletin board directly across the hall from the selective service office on the second floor of the city hall, 75 Wellington avenue. Registrants can learn their status, as far as order is concerned, by comparing their serial number with the corresponding order number in the national lottery.

Although publication has been made of the order numbers of the lottery, Mrs. Isabelle Flynn, chief clerk in the local draft board office, announced that a master list for the third lottery will be forwarded to the local board so that an individual order list may be set up at the Daly City board.

Lions' Minstrel Show "Jes' Oozin Wif Laughs!"

Evening's Program To Start At 7:30 P. M. With Dinner

"Jes' oozin' wif laughs!" and featuring songs, dances, and music of the Deep South (We aint jes' whistlin' "Dixie" either!), a fun-filled minstrel show will be staged at Hilltop lodge, Wednesday evening, by the Daly City-Colma Lions club as a special attraction for ladies night. The evening's entertainment will begin at 7:30 p. m. with a dinner.

Darkies galore, fat and skinny, old and young—all will pervade the atmosphere of the lodge with their sharp laugh lines and music. A nine-darkey chorus, an inter-loucur and a master of ceremonies, all played by members of the local Lions' chapter, will feature the show.

Seasoning the show with a program of specialty acts, a troupe of local singing, dancing, and instrumental entertainers will add their talent to the gaiety.

Master of ceremonies of the minstrel is R. L. Crane jr., and Dr. J. C. McGovern is the inter-loucur. Following is the chorus of black-faced fun makers: Al Harrison, Pancake; Elton McGraw, Butterball; Bert Meritt, Bones; Jimmy Schultz, Spare-Ribs; Dr. W. J. Lantheaume, Pie-face; Lawrence Varni, Moses; Bill Sweeney, Tambo; Joe Carr, Mammy; and Hugh Smith jr., Twilight.

Specialty acts in the minstrel show will include a banjo solo by Bert Meritt; acrobatic dancing, Miss Esther Hanel; vocal solo, Lawrence Varni; tap dancing, Betty Duffy and Diane Hovey; and an accordion solo, Bob Meritt.

Mrs. Robert Fessenden is pianist for the show. Dale Hovey, president of the local chapter, is directing the show which has been rehearsing for the past six weeks.

Mrs. Bill Sweeney and Mrs. R. C. MacArthur are arranging for costumes of the show.

Tickets are on sale by all members of the Lions club, by invitation. Proceeds of the show will be used as funds for a donation by the Lions club to the San Mateo County Blood Bank.

Beverly Sundermann Celebrates Birthday

Little Beverly Sundermann was feted at a birthday party, last Wednesday, by her mother Mrs. Henry Sundermann jr., 1216 Brunswick street. The honored guest was celebrating her third birthday.

Many lovely gifts were received and her guests were served refreshments from a table decorated with flowers and favors. Pictures of the group were taken.

Those attending included: Dennis Sullivan, Carol Allisebrook, Jimmie Costello, Tommy Conneally, Billy Carkey, Janice Killille, Donna Mann, Irene Mann, Joyce Raffo and Ronnie Davis. Mothers of the children were also present.

Jeanette MacDonald To Give Concert Here

Jeanette MacDonald, who will appear at the San Francisco Opera House, Wednesday night, March 25, in concert, to benefit the war work of the American Women's Voluntary Services, San Francisco unit, wears the trim uniform of the fast-growing defense organization as an active sponsor of its many patriotic projects.

Jeanette was among those signing the letter of organization for the first Southland chapter of the national organization founded before America's war declaration to organize and train women volunteers for defense work.

All of the proceeds of Miss MacDonald's concert in the Opera House will go toward the work of the San Francisco unit of the American Women's Voluntary Services, which now has more than 7000 women enrolled. In view of the fact that there are no membership dues, the organization took advantage of Miss MacDonald's generous offer to give this concert. Units of the AWVS around the bay are cooperating to make the concert a success.

Tickets are on sale at Sherman Clay box office, EXbrook 8585.

NOW AT DALY CITY THEATRE

Two hungry wolves from Broadway are ready to pounce on the lamb in this scene from the new M-G-M musical, "Babes on Broadway," currently playing on the Daly City screen. Ray McDonald, left, and Richard Quine, right, are the wolves—and look who's in the middle? Why, it's that lamb, Mickey Rooney!

Judy Garland, Mickey Rooney Star In Film At D. C.

"BABES ON BROADWAY," which opens at the Daly City theatre tonight proves one thing—youth still maintains its supremacy in the motion picture world.

A splendidly contrived combination of music, dancing, comedy and pathos, this new Metro-Goldwyn-Mayer picture serves as the perfect show window for the talents of its co-stars, Mickey Rooney and Judy Garland.

Literally full of music, the picture also offers Virginia Weidler in a departure from her usual dramatic role, singing and dancing. Two other notable additions are Ray McDonald and Richard

Quine, new-comers from the New York stage, with Fay Bainter, Donald Meek and Alexander Woolcott represented in adult roles.

The impersonations by Mickey and Judy bring down the house, as does Judy's singing of "Chin Up, Cheerio, Carry On," "Bombshell from Brazil," which serves to introduce Mickey in a Carmen Miranda impersonation, "Rings On My Fingers, Bells On My Toes," a la Blanche Ring, and "Mary Is a Grand Old Name," as made famous by Fay Templeton.

But, good as it is, the music of "Babes on Broadway" does not overshadow the story. Taking as its theme the scores of youngsters who invade New York yearly, struggling for their "break" on the stage, the plot deals with the fight of Mickey and his pals for a toe hold as dancers. They eventually wind up producing their own show on Broadway.

Residential Gas Users Should Know
about Limitation Order L-31 by
the War Production Board to cur-
tail Consumption of Natural Gas

Effective March 1st, 1942, the War Production Board placed certain restrictions upon the use of natural gas for home heating purposes. In general this order reads as follows:

- Limitation Order L-31 prohibits the delivery by the gas company and the acceptance by the customer of natural gas or mixed natural gas and manufactured gas for the operation of central heating equipment (or heating appliances supplying the major portion of the heating requirements of the premises) unless such equipment was installed prior to March 1, 1942, or unless, in the case of new construction the equipment was specified in the construction contract and the foundation under the main part of the structure in which the equipment was installed was completed prior to March 1, 1942. This order applies to all users of gas, including residential customers.

To clarify the terms of this order as to its effect upon residential gas customers, let us interpret its meaning:

- 1 Gas heating equipment can be installed in homes WHEN IT REPLACES worn out gas heating equipment having a heating capacity equal to or greater than that of the gas heating equipment being installed.
- 2 Gas heating equipment can also be installed in homes WHEN IT SUPPLEMENTS other sorts of heating equipment which will continue in service as usual provided that the newly installed gas heating equipment has a heating capacity less than that of the heating equipment being supplemented.
- 3 Gas ranges, gas water heaters and gas refrigerators can be installed and used without restriction.

This company pledges strict compliance with the terms of Order L-31 and asks the cooperation of all customers.

THE WAY TO BEAUTIFUL HAIR

STEP 1

BEAUTIFUL HAIR is within the reach of all, but it does require constant care. Here's the first step towards achieving it. Brush your hair vigorously every night, as well as just before your weekly shampoo. Bend forward from the waist as you do so, brushing upward and outward from the scalp with brisk, vigorous strokes.

Such brushing helps to get the hair in healthy condition, so that it will be ready for the usual weekly washing with Special Drene, the liquid soapless shampoo that has hair conditioner added. The combination of a healthy scalp and such a shampoo will produce beautiful silky hair, gleaming with life and lustre.

ate for the remainder of this year. Quirmbach said that there will, eventually, be a need for blood donors, but the present need of the organization is for funds to operate so that materials for typing and storing the blood plasma may be obtained.

Purpose of the Blood Bank in San Mateo county is to obtain blood plasma to be used in transfusions in case of casualties incurred in a possible bombing or other major disaster. The Medical society hopes to obtain a minimum of 1000 pints of blood plasma to be held in refrigeration and placed at strategically located casualty stations in the county. Daly City will maintain a supply of blood plasma near the local casualty station at Jefferson high school, a medical unit which was established by the Daly City Civilian Defense Council in January.

Quirmbach announced that any excess of blood plasma which will be obtained by the Blood Bank will be turned over to the United States armed forces for fighting casualties.

Chevrolet Studies "Duration Dress"

A comprehensive picture of the retail automotive business in its "duration dress," presenting a cross-section of Chevrolet dealers' thinking on problems common to all auto dealers will result from a series of 94 zone, regional and national dealer committee meetings beginning February 24 and concluding with a two-day final session in Detroit, Monday and Tuesday, William E. Holler, Chevrolet general sales manager, announced today.

In the face of stringent restrictions applying to the auto manufacturing business as the first war-time commercial "casualty," these meetings are expected to develop a compilation of immediate needs foreseen by the retailers so that they may remain the servant of the motorist.

"Since early in 1937, regular dealer committee sessions have served an important liaison role linking Central Office with the more than 8,000 Chevrolet dealers," Holler said.

"Because there are more Chevrolets on the American highways today than any other single make of car; because Chevrolet dealers have led the industry in sales consistently through the past decade, and because Chevrolet dealers have established themselves in their respective communities as reliable, progressive business men, we feel that from these committee sessions will come sound, practical programs. Service to a nation that is so highly dependent upon the motor car for transportation at a period when such transportation is of strategic military importance is a direct contribution to the victory we all are pledged to win."

The Chevrolet dealer for the Daly City-Colma area is Belli Motor company, Mission at Market street.

C. J. Pettigrew

To the voters of Daly City:

The Good Book says, "By their fruits you shall know them," and with less than four weeks time to study the men aspiring to the office of Councilman, every opportunity should be taken by the voters to acquaint themselves with the past and present attitude of these many candidates.

My keen insight into civic affairs will give the people leadership of such a character, that it will be adequate to my worthwhile tasks for city betterment. I will assume the duties of office as a free man, bound to no one and by no influence, other than my own dominating desire to render honest service to all the people.

In the management of your public affairs, my greatest responsibility will be to the people, and I pledge my obligation to safeguard their welfare.

I solicit your support to help rejuvenate our city government, by voting for one, who will not be a party to partiality and abuse in the management—both of administration and finance, and will at all times be ready to give full account of my leadership to all the people.

Volunteered and served my Country in 1917. Let me serve all the people of Daly City now.

(Signed) C. J. Pettigrew

Eugene V. Lynch

To Daly City Voters:

I wish to take this opportunity to introduce myself to the voters of Daly City.

I have been a resident and taxpayer in Daly City for the past twelve years. I am forty years of age and a native of California.

As founder and owner of Lynch Brothers Drayage Company in San Francisco, which has enjoyed continued success for the past twenty years I am certain that my qualifications as a business manager will enable me to assist in the management of our city government in an economical and efficient manner.

Since establishing my home in Daly City I have been active in social and civic affairs, and through these activities I have acquired a complete understanding of the tax problems and many other civic problems which confront everyone residing in our community. It is my sincere wish to be given the opportunity to serve the people of Daly City. It is therefore, with this thought in mind that I earnestly solicit your co-operation at the polls Tuesday, April 14th. If I am elected I pledge myself to administer the duties of my office to the best of my ability, being ever mindful to act in the best interest of the people of Daly City.

Sincerely,

(Signed) Eugene V. Lynch

Paul G. Selmi

To the People of Daly City:

I, Paul G. Selmi, 448 Santa Barbara avenue, since announcing my candidacy for re-election to the Daly City Board of Council on April 14th, submit the following facts for your consideration:

I am married and the father of three sons; Richard, 15; Eugene, 9; and Bruce, 6. My real estate and insurance business is located at 39 Wellington avenue. I have been on the council since 1933; four of these years as mayor.

I was Chairman of Parks and Playgrounds Committee and promoted this program during my term as mayor. I inaugurated a bus and transportation system for Daly City.

I have been faithfully and sincerely interested in the full progress of Daly City and acts in the interests of the people I represent and not my personal interests. My entire record has been open and above board and I am proud to again come before you and ask for re-election.

I feel that even in these very trying and serious times people should now more than ever take an active interest in their local government. I urge each and every voter to consider the eligible candidates and examine their records and then go to the polls on April 14th and cast their vote.

(Signed) Paul G. Selmi

The Daly City Record, this week, presents the first of a series of articles written by the candidates themselves. The Record, believing in an open-door policy, has invited all candidates to participate in this program without charge.

Julius Twesten

To the citizens and voters of Daly City:

In presenting myself for re-election after thirteen years on the Daly City Council, I do with sincere appreciation of the trust and confidence you have reposed in me in the past. Particularly in these strenuous times do I feel the importance of honest, trustworthy and reliable public service and if re-elected pledge myself again to serve you so to the best of my ability. With less demands upon my time now in other matters I hope to devote still greater attention to the important affairs confronting our city.

To the old time residents I need no introduction; to the newcomers in our community I can only welcome you here and refer to my record as known to my many friends and neighbors and to those with whom I have had dealings in my many years of business, residence and public service here. With the best interests of Daly City truly at heart, I am

Sincerely yours,

To You, as a citizen of Daly City:

On Tuesday, April 14, you are going to elect three members to the City Council.

I would appreciate the honor of being chosen as one of them, and of having the opportunity to contribute toward the conduct of our government.

With pride in the city of my birth, a background of education in our local schools, a course in Business College, and several years business experience, including general contracting and building construction, I am asking your support in the belief that these qualifications will enable me to assist in conducting our city government.

If elected, I shall assume the duties of Councilman with full realization of the tasks and responsibilities the office imposes, with deep appreciation of the honor conferred, and with determination to do my part to give Daly City a government in which we shall have mutual pride.

Very sincerely yours,

(Signed) Hugh H. Smith, jr.

To Daly City Residents:

I came to Daly City in 1914.

During the last war, I joined the United States Army, (if necessary will do it again) was sent overseas, and was wounded in action, fighting on the Flanders front. After being honorably discharged, I returned to Daly City, and took an active part in civic affairs.

My membership of long standing in the American Legion, Volunteer Fire Department, High School Board of Education, of which I'm chairman, Veteran Firemen Association and other lodges, testifies to my willingness to serve the community.

In asking for your support in the coming election, I hope you will consider the experience I have gained at the high school, during my 3 terms in office. I have learned that school administration is a very serious business, when you consider the welfare of our youth, and the amount

ALLIED YOUTH

Post 202 of the Allied Youth met, last Wednesday, and chose their new officers for the spring term. George Grimes will lead the group as president and will be assisted by Mary Lou Becker.

An Allied Youth meeting is being held each Wednesday morning at 8 a. m. in Room 14.

The post has a number of activities planned, which will be carried out if the students continue their present interest in the new organization.

C. S. F.

Members of Chapter 194 of the California Scholarship Federation will attend the district council meeting. These gatherings are held every spring.

This year's meeting will be held at Campbell Union high school, Saturday.

Miss Martha Springer, faculty advisor, will furnish transportation for all who wish to attend.

It was announced by members of the group that the spring regional meeting will be held at Sequoia Union high school in the near future.

A reception is being planned for the new students of Jefferson. The affair will be held within the next few weeks. Further plans will be disclosed later.

DANCE

"More fun than a barrel of monkeys" is a favorite saying, and well expresses the outcome of Jefferson's Jinx dance, Friday.

Over a hundred couples attended the dance, and in spite of the fact that it was Friday the thirteenth, it was a grand success.

Unique and clever decorations changed the atmosphere of the auditorium into a den of bad luck. A coffin with floral sprays, black cats, skull and cross bones, skeletons, and ladders, were but a few of the weird objects around the walls and on the dance floor.

With the success of the affair still being talked about, the entertainment committee has already begun work on the next dance, to be held about the middle of April. The dance will be a patriotic affair with "Buy Defense Bonds" as the theme. For the purchase of a defense stamp from any member of the entertainment committee, the buyer will be entitled to enter the dance free.

This dance is predicted by Frank Feno, chairman, to be one of the biggest Jefferson ever attempted. "This is the time for all students to show their patriotism. Whether you dance or not, buy a stamp from us and help Uncle Sam," stated Feno.

SENIORS

Plans were well under way for the senior jinx to be held some time in May, according to chairman Roy DeVincenzi. The first meeting of the group was held, Friday morning.

Seniors will have their pictures taken today for the senior edition. All seniors are reminded to be present.

ASSEMBLY

Students at Jefferson bought approximately two thousand pine trees in a "Penny a Pine Tree" drive, Friday. The students contributed approximately \$20 worth of pennies to the drive.

All San Mateo county schools held similar drives to help reforest a section of land.

PICTURES

Another outstanding full length feature is being presented by the student body officers for Jeffersonians today and tomorrow. For students without student body cards a nominal price will be charged, but if they are owners of cards they will be admitted free.

The picture will be "Elephant Boy," starring Sabu.

COLOR WEEK

Remember the fun everyone had last year during Color Week? Well another one is on the fire. At a recent executive board meeting, the week of April 6 was set aside as Color Week.

Start planning your colors—everyone is required to have some purple and gold on their costume.

Music

ORCHESTRA

Members of the school orchestra

tra played for the student assembly, yesterday. The program was quite outstanding according to all reports. It was a special skit with effective lighting. All the action was done in silhouettes.

INDIANS OF RHYTHM

"Absolutely one of the best performances of the year," was the remark made by Howard Miguel, instructor of the Indians of Rhythm. His group presented a musical show for the student body card holders of Jefferson, last Wednesday.

The group's music and songs were so outstanding that several curtain calls were demanded.

Specialty number of the day was "Pearl Harbor." The band played and sang and Pat Marraco and Lillian Altman were featured in a duet with the chorus. During the second time through the chorus, the whole auditorium participated.

Others who deserve recognition besides the personnel of the band were Daisy Yonan and Jerry Lockwood. Miss Yonan sang "This Is No Laughing Matter" and Lockwood sang "Everything I Love." Both singers received curtain calls.

I have also learned that harmony on any board of trustees means success, an example of which you will find in our high school, a school of which Daly City can be proud. My aim will be to have cooperation in the council chambers, have good government, and have a square deal for all.

Your vote of confidence in me will be greatly appreciated.

Thanking you, I am,

At The District Grammar Schools

At Crocker

Crocker basketballers won a victory over the Perpetual Help school team recently by a score of 24 to 21.

Dolores Wakefield, who is unable to attend classes because of illness, is improving and is expected to return to school soon.

In studying about the pioneers and the early history of our nation, the students of Room 2 enjoyed a film called "Historic Scenes Along Mount Vernon" recently.

Pupils of Room 4 saw an interesting sound film entitled "Co-operative Wool."

For their study of the Westward movement and the territorial expansion of the United States, the high seventh and low eighth grades saw a film on Alaska. Preceding the film the class held a discussion on the acquisition and history of Alaska.

Billy Richardson is a recent transfer from San Francisco who was welcomed to Crocker school.

At Jefferson

Eight students are new arrivals at Jefferson school. The new pupils include: Jim Baher, eighth grade; Beverly Clow, seventh grade; Madeline Grendall, third grade; Carol Grendall, second grade; Gary Lee Hiddleston, second grade; Bob Donahue, fifth grade; Gerry Hiddleston, first grade; and Edward Sylvester, kindergarten.

Departing from Jefferson school to other schools were: Darlene Bortis, fifth grade; Robert Benassini, seventh grade; and Marjorie Mattes, third grade.

Election of officers was recently held in the eighth grade of Jefferson school. Following are the newly elected officers: Ben Picetti, president; Winifred Grant, secretary; and Inez Chelone, treasurer.

Kindergarteners have recently planted individual vegetable gar-

dens in school around their "Farm."

Robert Volkman, fifth grade, is recovering from a knee fracture and is expected to resume his studies soon.

Barbara Callan gave an interesting report of an eighth grade topic, "Hunting Down a Submarine," describing the protection we have from air and sea craft.

Eighth grade students are at present working on a study unit, "Our Natural Resources and How to Conserve Them," and the class is applying it to their present living conditions in a conservation program. Rita Nolan and Winifred Grant spoke on the natural resource of coal.

The value of color combinations is being studied by the sixth grade students in their art period.

Enthusiastic purchase of defense stamps continues at Jefferson school each week on Defense Stamp Day. Each class has its own day and hundreds of dollars worth of stamps have been bought by the Jefferson school children since the club started.

At Woodrow

Three new students in Room 15 at Woodrow are Darlene Bortis, Maurice Braham, and Glenn Ferguson.

The banner for buying the most defense stamps at Woodrow was won by Room 15. The group hopes to keep it every week.

For their unit on Pioneer life, the students of Room 15 are making rugs, patchquills, stools, log cabins, covered wagons, and pioneer dolls.

Room 12 has an interesting exhibit in the room for the study of "Shelter," showing a miniature of each type of shelter and a chart which tells the stories of these homes.

Room 14 is proud to announce that a class member, Thomas Fazzendin, has purchased a defense bond with money which he has saved.

Doris Cerna, who has been attending school in San Francisco, has returned to Woodrow.

'Front Door'
The Chicago Coliseum has been known as the "Front Door to the White House," because of the many presidential conventions that have been held there.

In the Army
In the army, the cavalry is called a troop. In the air corps the similar organization is a squadron; in the artillery the term is battery. Hospital men are in a corps.

George Washington's Secretary
A mahogany serpentine front secretary on which George Washington wrote his personal letters is considered one of the finest existing pieces of American Colonial furniture.
